# Introduction

## **Liberia Financial Statistics (LFS)**

Second Edition

April 2020

**T**he Liberia Financial Statistics (LFS) is a bi-monthly database publication by the Central Bank of Liberia (CBL) intended to meet the research needs of students, the academia, the business community, policy makers and development partners. The publication is made six times a year with the first, second, third, fourth, fifth and sixth editions appearing in February, April, June, August, October and December, respectively. The data frequency is monthly and expressed in thousands or millions of Liberian or United States dollar with each publication covering the period of three years.

The graph on the cover page represents the monthly remittance inflows from May 2019 to April 2020.

The Central Bank of Liberia is grateful to its many data providers both in the public and private sectors whose cooperation in providing the required data has helped to continuously make this publication successful. The CBL assures all data providers that data provided will only be used for statistical purpose to inform research and policy decisions.
