Introduction

Liberia Financial Statistics (LFS)

Fourth Edition

August 2026

The Liberia Financial Statistics (LFS) is a bi-monthly database publication by the Central Bank of Liberia (CBL). It is mainly intended to meet the research needs of the academia, the business community, policy makers and development partners. The publication is made six times a year with the first, second, third, fourth, fifth, and sixth editions appearing in February, April, June, August, October, and December, respectively. The data frequency is monthly and are expressed in thousands or millions of Liberian or United States dollars with each publication covering the period of three years.

The graph on the cover page exhibits export values for the period covering September 2025 to August 2026.

The CBL appreciates the continued cooperation of its data providers across the public and private sectors, whose contributions are essential to the production of this publication. The Bank assures all providers that information submitted will be treated with due confidentiality and used strictly for statistical, research, and policy purposes.
