

Monetary Policy Committee (MPC) Meeting Dates for 2025

Section 2.4 of the Monetary Policy Committee (MPC) Charter states that:

- The MPC shall meet at least four (4) times each year based on a pre-announced yearly calendar to deliberate on monetary policy matters. The Executive Governor may also call for extraordinary MPC meetings to discuss emerging domestic and global economic challenges with implications for monetary and exchange rate developments.

Additionally, in Appendix 1 of the MPC Charter, Dates of Meeting shall be:

- **The third working Wednesdays and Thursdays in January, April, July, and October.**
- Day one for deliberations and day two for decision making and the announcement of the decisions through press briefing.

CALANDER FOR 2025
